Sovereign Afternoon Tea

The Sovereign Afternoon Tea is for those looking for a Very Special Experience. Set in our Victorian Style Tearooms, you are surrounded by elegance and relaxation.

Designed for a minimum of two people, lace cloth, roses and pearls adorn the table and each place is set with our delicate china.

You are welcomed with a tall glass of Sparkling Cordial after you are seated at your table, then served with a Tea of your choice or our smooth ground Coffee and presented with tiered stands of freshly made sandwiches and delicate sweet treats and, of course, scones and clotted cream.

For those Special Moments
